SUMMARY

International-minded, dedicated front-end developer seeking an opportunity for continued growth by working with professionals. Constantly striving to obtain new experiences and competencies.

EDUCATION

Grand Circus Detroit
Front-End Bootcamp, Apr - Jun 2019
[Midterm Project - Memory Game](#)

Acted as the project lead and focussed on the structure and style of the project while merging and debugging the application

[Final Project - BlackOut Escape Room Game](#)

Collaborated with two colleagues to design and develop an escape room web application in a short period of time. Discovered and remedied errors in the game's functionality.

Purdue University
Bachelor of Science, Management May 2015
Bachelor of Arts, Japanese May 2015

WORK EXPERIENCE

Sales Representative Oct 2018 - Apr 2019
NCI Mfg. Inc. - Livonia, MI

- Maintained efficient communication with clients through e-mails and calls to respond to questions, requests for quotes, and pricing
- Analyzed data to examine faulty warranty claims to retain company profit
- Served as a liaison for the NCI Livonia Branch and collaborate with out-of-state branch members in Alabama, Mexico, and Japan to coordinate projects, quotes, and conduct cost-studies
- Scheduled meetings and traveled to sites to discuss and negotiate warranty issues, retro payments, and air freight fare

Assistant Language Teacher Jul 2016 - Jul 2018
Shizuoka City Board of Education - Shizuoka City, Japan

- Formulated lesson plans with Japanese Teachers of English
- Team-taught lessons over 21 classes per week to 708 students over 3 grade levels
- Controlled performance anxiety by instructing more than 1800 classes over 2 years
- Boosted students' confidence and English abilities through games and activities
- Provided extra guidance to low-level students to ensure understanding
- Acted as a cultural ambassador between the U.S. and Japan at the grassroots level
- Immersed in outside activities with students to develop cultural understanding
